Dear Orange County Dealer,

In our continued pursuit to provide exceptional customer service to the public, we will be altering the way we do business for dealer transactions.

Effective Monday, November 20, 2017, we will be processing dealer transactions at the following three (3) locations only. Operating hours will be Monday, Tuesday, Thursday and Friday from 8:30am to 4:00pm and Wednesday from 9:00am to 4:00pm.

Dealer transactions will be limited to two (2) transactions at a time. There will be a dealer window and log book for signing in at each of the above locations. Dealer transactions will not be permitted to be processed via our SmartPass system. The window will close from 12-1pm each day for lunch and will also be closed for a fifteen (15) minute break in the afternoon which will be posted at each location indicating the break times.

Dealers can continue to drop off work to be processed off-site with a turnaround time of 1-2 business days.

Please be reminded that you can go to the Private Tag Agencies as a walk in and wait for your work to be processed, additional fees will apply. The locations are as follows:
