# PARENTS

## BE A GOOD ROLE MODEL

From early childhood to driving age, teens have been closely observing their parents' actions behind the wheel.

## TALK TO YOUR TEEN

In addition to setting a good example, it's important for parents to talk to their teens about safe driving from an early age.

## DISTRACTED DRIVING

Frequently emphasize to your teenager that driving demands their complete attention.

# TEENS

## BUCKLE UP

Over half of the passengers who lost their lives in cars driven by teenage drivers in 2021 were not wearing seat belts

## DON'T DRIVE IMPAIRED

The law in Florida is very clear:  
**Do Not Drink and Drive.**

## EYES ON THE ROAD

Activate the *"do not disturb"* feature on your phones to help mitigate distractions caused by notifications.
